CQR SECURITY

INNOVATIVE SOLUTIONS

CQR | EMERGENCY SWITCHES & ACCESSORIES

CQR is one of the major manufacturers of security products in the UK, and as a leading supplier to the European security industry, has consistently been at the forefront of traditional and new product development since opening for business way back in the early eighties.

The CQR brand is recognised worldwide and has become synonymous with quality and reliability. CQR branded products are all designed with ease of installation and use in mind and meet many product standards worldwide, including also full compliance to ISO 9001:2000.

Now part of the OSL Group, CQR continues to bring new products to market, backed up by a sales and support service, we believe is second to none.

This Technical Data Sheet reflects our 'modern' approach to our industry and provides you with all the information you need on this section of our extensive range.

All CQR's Emergency Switches are designed for Consistency, Quality and Reliability. Their proven track record over many years means they can be fitted as part of any installation with confidence, ensuring that top quality, reliable products are consistent throughout the system.

The useful 'at a glance' tables on the back of this leaflet gives you all the performance data you need to choose the right products for the job.

All of CQR's Emergency Switches are available from a wide range of specialist security Distributors who, together with our own technical back up, provide an excellent after-sales service as and when required.

However, should you require further information on any product in this leaflet, please give our Technical Support Team a call on +44(0)151 606 6311.
